

*An RV club that gives you the freedom
to break the mold and do something
different with your life...*

FREEDOM DRIVEN

Since 1978, Escapees has been THE industry leader in educating people about the RVing lifestyle. The club was founded by full-time RVers, Joe and Kay Peterson, at a time when there was no support group for full-timers. Today, the club continues to grow and transform itself according to the needs of its members.

“Our mission is to provide a total support network for all RVers.”

RVERS ARE DIFFERENT.

Escapees members are a special kind of people. Our love of travel binds us together and creates a community that travels with us. Whether you RV on weekends and vacations, or are full-time RVers, Escapees provides a total support network of benefits to make your travels carefree. Escapees' own community is over 70,000 members and growing.

As the RVing community grows, we transform to meet the needs of all RVers. We support you through our benefits and education opportunities, sharing as much of our collective knowledge as possible.

Our support services meet your basic needs.

RV ADVOCACY

A point of pride for Escapees is our RV Advocacy Coalition. We aim to alert RVers to potential problems so they may prepare for changes. We organize grassroots campaigns when necessary, encouraging RVers to speak up for their rights. When possible, we talk to lawmakers and push for reasonable solutions before detrimental laws become reality. We also fight unfair laws once they are instituted. Receive important notices, tips, new benefits and events information via our club newsletter. Subscribe at www.escapees.com/advocacy.

RVER JOB EXCHANGE

Our job board came about through the formation of Xscapers, a lifestyle group of Escapees. For those who are venturing out before retirement, finding income on the road can be daunting. Knowing where to look and putting your best foot forward can be complicated when you aren't stationary. Our job board brings these answers, and more, into one easy-to-access location. List open positions, or upload your resume, at www.rverjobexchange.com.

ESCAPEES MAIL SERVICE

Escapees Mail Forwarding Service—have it your way! We're the largest private mail service in the nation, and the most flexible. You can set your own schedule and decide which mail you receive.

Not interested in seeing your junk mail? We'll get rid of it for you. Want to decide what letters get shipped to you? We'll help with that, too, through our mail scanning service.

Your unique address may be used simply as your mail forwarding address or, if you choose, as a legal domicile address. You have the freedom to choose between a Texas, South Dakota or Florida mailing address, allowing you to domicile in any of these states. Navigating your mail delivery while on the road can be a tricky, stressful task. Let us make that easier for you. Learn more at www.escapes.com/mailemailservice.

PARKING DISCOUNTS

Escapees owns 7 RV parks in the Escapees RV Parks system. In addition to these, we have a vast network of discount parks across the US, Canada and Mexico. These parks offer a 15% to 50% discount. Just show participating parks your Escapees membership card, and start saving money! Your membership pays for itself in just a few stays.

PERSONALIZED SERVICE

We are here for you. Our home office is located in Livingston, Texas, in our Rainbow's End RV park. If you're in the area, stop in for a chat and a tour of headquarters. Out on the road? Our call center is full of knowledgeable and friendly staff, ready to offer personal service to every customer, every time.

EDUCATION

KNOWLEDGE = CONFIDENCE

You're relaxing under a hot shower one moment, then frantically turning off the icy flow as you reach for your towel. What happened?! Our knowledge and educational resources can help you find and fix this problem and many more, freeing your time for more important things.

ESCAPADE

We'll educate and entertain you during this annual five-day event. Our seminars and workshops will help you get the most value, fun and adventure out of your RV investment. If you still have energy left after each education-filled day, there are jam sessions, socials, events and games available each evening for your further enjoyment. Look for more information about the next event at www.escapees.com/escapade.

WWW.ESCAPEES.COM

Head to our website, www.escapees.com, to access your member account and benefits. Change your mailing instructions, find a discount park and sign up for events all through our website. Manage all aspects of your Escapees membership with a few simple clicks.

While you're there, take a look at our blog. Here, you'll find informative articles from industry experts and RV bloggers who are living the lifestyle just like you. Advice, recommendations, industry news, and stories from the road come together to create a comprehensive resource for all things RV-related.

SMARTWEIGH

Do you know if you're overweight? You should! Our program provides accurate, individual wheel weights for your RV, towables, and tow vehicle. This is different from standard scales, which offer only your total weight. Knowing how much each wheel carries enables you to determine if your rig is balanced. You will also learn if your tires are rated for the amount of weight they carry. Overloaded vehicles wear out faster and experience more safety problems. Find a location that works for you at www.escapees.com/smartweigh.

EDUCATION

RVERS' BOOT CAMP

Whether you're a seasoned RVer or just purchasing your first rig, our RVer's Boot Camp will build your skills and enhance your knowledge and lifestyle. We teach you what you need to know about RV operation, safety and maintenance. RVer's Boot Camp touches on all aspects of RVing from hitch-up tips and techniques to RV systems, driving skills, weight and tire safety, fire and life safety and more. Interested in signing up? Check out: www.escapees.com/bootcamp.

ESCAPEES MAGAZINE

Our bimonthly *Escapees* magazine is 88 pages packed with useful, entertaining and specialized information on all aspects of RVing. You will find technical tips, RV maintenance information, safety education and advice from full-time RVers and industry experts. Members tell us they get more useful information from our publication than they do from any other RV magazine. See a sample issue at: www.escapees.com/magazine.

RVERS ONLINE UNIVERSITY

RVer's Online University is your answer for RV education anywhere. RVOU offers lessons on a range of topics including driving safety, RV maintenance, choosing an RV, and going full-time. See for yourself how RVOU can help everyone from the RV-curious to the experienced RVer build confidence behind the wheel and get more enjoyment from their RV investment. www.rveronlineuniversity.com
